*which is requirement*

**Therefore it is requested that the desired complete land performa may directly be obtained from the society, if not already obtained, to meet the requirement.**

**3.2 Litigation Position of Society**

As per certificate issued by the society, 10 cases of litigation have been filed against the society. A copy of this certificate is placed at **Annexure-C**.

**3.3 Land Documents**

Land was purchased in different dates as per summary land Performa. The land documents was verified, found to be in order and properly maintained.

**3.4 List of Members**

List of members was provided and is placed at **Annexure – D**. Following particulars were however found missing:

- Haron Magboul may be asked to do the job*
- Needs: safer provision*
- model register*
- i) Date of enrollment as member
  - ii) Date of approval by Managing Committee
  - iii) Remarks

The following differences were observed in balances as per members register and main ledger:

<u>Description</u>	<u>Balance as per member's register</u>	<u>As per main ledger/Accounts</u>	<u>Difference Rupees</u>
Cost of land	37,714,682	38,206,542	(491,860)
Land development	47,457,597	46,568,173	889,424

*What is this discuss with Magboul Haron*
